Adverting to Government order No L 1003-4 Ml 80-21-2 dated 20th August 1921 sanctioning the levy of tobacco tax in the Tumkur Municipality I have the honour to state that the said tax was proposed be introduced within the Municipal limits of Tumkur Town with a view to improve the resources of the Municipality and the council unanimously solved at its meeting held on 26-2-21 that tobacco may be added on as a dutiable article

This was done after due notice and after hearing objections The Government also sanctioned the same to be levied in their order No L 1003-4 Ml 80-21-2 dated 20th August 1921

The Municipality began collecting the tax from January 1922 and the income derived by the Municipality within the six months for which the tax has been in force is Rs 434/- which is not below the anticipated figure The Budget as sent up to Government has been framed on the expectation of getting this revenue also

Meanwhile a few merchants raised a clamour that they felt the tax a hardship and appealed to a few Municipal Councillors one among whom Mr T C Revanna moved the council on 27th May 1922 that the tax be abolished and the proposition was carried by a very narrow majority of seven

The tax on this commodity had proved a whole-some check ju smoking and those who voted for the abolishion do not seem to have real the good that might accrue if it is allowed to continue They seem to persu vote a nst the view only from the merchants' point

'D

Not a single trader in tobacco objected to the levy of this tax when the same was proposed to be introduced It would not be quite proper in the interests of the Municipality to sanction the abolition of this tax This would unduly hamper the finances of the Municipality and I would propose the tax to be continued to be levied in the best interests of the public and the Municipality

It cannot be said that the levy of this tax is obnoxious to general public but on the other hand it will greatly help the public by acting as a wholesome check on juvenile smoking nor is the tax unfair in its incidence as it affects only those who take to this obnexious drug

Under these circumstances the Government will do well to allow the Municipality to retain the tax without giving effect to the action of the Council

A copy of the resolution of the Council is herein enclosed for your kind information
